Date: 2nd June 2026

INTERNSHIP COMPLETION CERTIFICATE

This is to certify that Gangawali Nazif Noorul Haque has successfully completed an internship program with Gulf Infotech, serving as an AI & Full Stack Developer.

The internship spanned from April 1, 2026, to May 31, 2026.

During this period, Nazif was actively involved in various projects, including backend software development, with an emphasis on API integrations and data synchronization between business operations platforms. He demonstrated a strong technical aptitude, a professional attitude, and a commitment to delivering high-quality results.

Nazif was a valuable asset to the team, consistently showing a willingness to learn and the ability to work effectively both independently and collaboratively.

We wish him the very best in all future academic and professional endeavours.

Sincerely,

Yahya Zakir Sait

Chief Executive Officer

Gulf Infotech FZCO
